**What's Going On In The Travel Industry?**

**Shave a Few Bucks off Summer Travel Costs**  
*From crn.com*

(AP) -- The cost of travel has been going up all year and that is making it difficult -- but not impossible -- to find summertime bargains.

The U.S. travel industry is enjoying greater pricing power in large part because it has succeeded in minimizing the supply of airline seats, hotel rooms and rental cars at a time when demand for these services is rising. Fliers are also paying more as airlines pass along their soaring jet-fuel expenses.

With Memorial Day, the unofficial start of summer, just around the corner, the sweetest deals may already have been snapped up, travel experts said, though it is still possible to save a few bucks by planning ahead and remaining flexible when it comes to itinerary details. For example:
