

FastSitesSM by Fasturtle

FastSitesSM by Fasturtle are premium, semi-custom sites with ready-made designs that you enhance yourself!

Spending too much for your website, not getting the results you need?
 Tired of cookie-cutter website templates that look like everyone else?
 Want an affordable and quality website where you call the shots?

Affordability

FastSitesSM are not just easy on the eyes, they're easy on the wallet too! Packages from just **\$95 per month!**

Built like a tank (not a cheap import)

FastSitesSM use specialized coding, and are built to be "search engine friendly" so customers can easily find you online!

Don't blink

We get your site where it should be...online!
 We guarantee your site is up and running within one week! How's that for fast?

You're the boss

All FastSitesSM have built in Content Management Systems (CMS), so you're in control. Make changes to your site when and how you want, at no additional cost!

It's not your "run of the mill" site

FastSitesSM are premium, semi-custom websites with much more than bland, cookie-cutter template sites.
